## BENEFITS OF THE PUBLIC LIBRARY

Total Circulation for Year was 47,683 Books and Much Other Work Done—Liquor Raid at Charlestown Beach—Westerly Takes Two Games from Carolina—Wakefield and Stonington Even Up—Other Matters.

At the annual meeting of the trustees of the Westerly Public Library Saturday evening, Librarian Joseph S. Peacock presented his report for the year, which showed an increase in patrons and a fuller appreciation of the library benefits. The total circulation of books for the year was 47,683, with an average of 947 a week. Divided into classes the circulation was as follows:

General works, 1562; philosophy, 229; religion, 251; sociology, 757; language, 84; science, 562; useful arts, 598; fine arts, 645; literature, 1173; description and travel, 1174; biography, 877; history, 1119; fiction, 28,593.

The largest weekly circulation was 1144 for the week ending March 20, and the smallest 622 for the week ending June 28. The total circulation for the year was 47,683 more than the preceding year, an increase of 22 per cent.

The number of books added was 2005, of which 712 were fiction and 1293 non-fiction. This is an increase of 12% over the preceding year, or 92 per cent. Deducting the number of duplicates of fiction, the non-fiction is about 4 to 1. The gifts to the library have been many. Books, 212; pamphlets, 779; miscellaneous (manuscripts, maps, etc.) 118. The total number of books numbered were 4627 and the number of catalogue cards made were 6029.

The data does not fully represent the work done at the library. Many books are ordered and consulted which no account is made, and considerable information is looked up by the librarians and assistants and sent to the seekers after knowledge. More and more people are coming to realize the wealth of material to be found in the library and are making use of it.

The old hand engine Haycart, owned by the Veteran Firemen's association of Pawtucket, formerly the Rhode Island One, of Westerly, which is to compete in the state championship on Labor day, is being made ready for a try-out. The old fire tub, so-called, has been taken to pieces and the parts made ready for use. The machine is in better condition than ever and is in prize winning condition.

Special Liquor Constable Isaac Ellis, assisted by H. L. Barber, made a successful raid on the place known as The Dolly Varden, at Charlestown beach, Saturday afternoon.

The search warrant was served on Charles Church, who was behind the bar waiting on four young girls. The girls were ordered from the place and the search was commenced. The officers found one bottle of ale, one of lager, several bottles of Muscatel wine and Club whiskey, ale and lager. The officers then went into the kitchen and found eighty-one bottles of the same kind of lager and many empty bottles.

Deputy Sheriff Eugene W. Coon, of Westerly, went to Quoniamont beach Saturday afternoon and served a search warrant, sworn out by Robert Browning of Charlestown, upon Charles Wilson, who keeps a place where it was suspected intoxicating liquors were kept for sale. Sheriff Coon seized four quart bottles of whiskey and one partially filled with whiskey, and nine bottles of beer.

In the Rhode Island-Connecticut Baseball league, Saturday afternoon, Westerly won two games from Carolina and took first place in the league. It was a lucky thirteen afternoon for Westerly, for the large attendance not only added to the coffers of the club, but both games were won by thirteen scores, the first being 13 to 1 and the second 13 to 0. The games were played on the home grounds and the Carolinas were simply outclassed. The Westerylites winning without apparent effort.

At this period of last season's series, Westerly was in the lead as now, but by an alleged infraction of the rules regarding the securing of players the pennant went to Stonington. Westerly is taking no such chances this season, and by faithful hard work expects to land the pennant. As the pennant is at stake, Westerly is conceded to have the best team in the league and as the season draws to an end will make endeavor to clinch the title and championship, which was won, but lost last season. The scores of Saturday's game:

Tore his skin off. In Shreds—Itching was Intense—Sleep was Often Impossible. CURED BY CUTICURA IN 3 WEEKS.

"At first an eruption of small pustules commenced on my hands. These spread later to other parts of my body, and the itching at times was intense, so much so that I literally tore the skin off in shreds in seeking relief. The awful itching interfered with my work considerably, and also kept me awake nights. I tried several doctors and used a number of different ointments and lotions but received practically no benefit. Finally I settled down to the use of Cuticura Soap, Cuticura Ointment and Cuticura Pills, with the result that in a few days all itching had ceased and in about three weeks' time all traces of my eruption had disappeared. I have had no trouble of this kind since. H. A. Kruttsch, 3714 Wabash Ave., Chicago, Ill., November 18 and 28, 1907." Foster Drug & Chem. Corp., Sole Props., Boston.

\$500 FORFEIT.

"I will forfeit \$500 where I fail to teach you how to fascinate anyone you desire; how to make your enemies your friends; how to secure a speedy marriage with the one of your choice, give you good luck and make you successful in your business, remove all influences, reunite the separated, locate the earth's buried treasures, settle the old lawyer's shrewdly and positively complete your business in a reasonable time."

So positive am I of my powers to tell you what you desire to know that I will make NO CHARGE NO CHARGE unless you obtain perfect satisfaction.
